Charles BONDJE DOUE

PHP / .NET Developer — ICT & Production

8, Place de la grande pêcherie, 7000 Mons, Belgium | +32 471 07 86 43 | bondje.doue@gmail.com | linkedin.com/in/bondjedoue | igkdev.be

ABOUT

Holder of a bachelor's degree in industrial computing, specializing in networks and telecommunications. Passionate about PHP development for over 10 years, with strong experience in C# .NET development as well, I strive to bring my full expertise to innovative and ambitious projects. Experienced as a BI/Data-oriented project manager. My goal: to keep progressing, strengthen my skills, and bring real added value to the teams and projects I work on.

SKILLS

- **Languages & Frameworks:** PHP (10+ years) — CodeIgniter, Symfony, Laravel, WordPress, Balafon ; HTML5, CSS3, JavaScript, TypeScript, AngularJS/Angular, VueJS ; C# .NET, VB.NET ; Python ; Java, C/C++
- **Databases:** MySQL (administration), SQL, SQLite 3, Oracle, MongoDB
- **Web Development:** REST APIs, AJAX, GraphQL, JSON, SOAP, JQuery, Bootstrap
- **Project Management:** Agile / Scrum, PMI, MS Project
- **Business Analysis:** UML, BPMN, relational database modeling
- **DevOps & Systems:** Git / GitLab, Docker, Apache, Nginx, network administration, IT maintenance
- **ERP:** ODOO (implementation & configuration — Forem training 2026)

PROFESSIONAL EXPERIENCE

2013 – present — Founder & Developer — Balafon PHP Framework Project

IGKDEV (personal / open source project)

- Solo creation and development of an open-source PHP framework (PHP 5 to 8.0.2, REST, MySQL, SQLite, Oracle, MongoDB, Git).
- Deployment of web applications, role management, security, scripting.
- Official copyright registration; source code published and maintained on GitHub (github.com/goukenn/Balafon).
- Writing a book dedicated to the Balafon PHP framework, carried out alongside an active job search (2021–2026).

2021 – 2026 — Active job search & upskilling

- Actively seeking a PHP / .NET developer position while continuing to develop the Balafon framework and write the associated book.
- « Coup de poing métiers en pénurie » training — ODOO (ERP) — Forem, 2026 (see Education section).

2017 – 2021 — IT Consultant PHP — PHP Developer

Treenity Solutions
